October 2026

I would like to welcome each of you to our 42nd Invitational Whirlwind competition and thank each of our bands who are in attendance today. As Principal of Hurricane High School, I ask our students to always work hard, and that is exactly what these young men and women do on a daily basis. Our musicians have spent countless hours perfecting their routines, and today is an opportunity for them to showcase their abilities to all in attendance.

As our students have committed much of their time to the band, our directors and other staff who work hard to prepare them deserve thanks. They spend much of the year preparing our children to create a band that we can all be proud of, and we are extremely thankful for all of their hard work. I know today's competition will be a wonderful event that showcases the wealth of talent Hurricane High School and other schools throughout the area possess. Thanks again for attending!

Welcome!

Dear Whirlwind of Music Festival competitors, family members, visitors and volunteers,

I want to extend my warmest welcome to the City of Hurricane, West Virginia, and to Hurricane High School!

To the competitors in this event: You may look at this day as just another competition in your season, but I want you to keep in mind that the memories you are creating today and the special times you have with your friends will be something you look back on forever. So, I hope you will make it a great day for yourself and all those who are around you!

To the family members, visitors and volunteers: Your support of these young men and women is so important to their success - both on and off the field. All the encouragement you give them at competitions like this, as well as in your everyday life, helps mold them into better citizens. I thank you for your dedication and commitment.

While in Hurricane, I hope you will find the time to truly enjoy yourself – not only at the Whirlwind of Music Festival, but also around our great City. I wish you all the best of luck!

Sincerely,
